# QUALITY POLICY

The Management of Beamco Nigeria Ltd. is committed to deliver best in class procurement and maintenance services to our various customers in the energy and industrial sectors of Nigerian economy. We aim to meet the requirements and expectations of our clients and all regulatory and statutory agencies applicable to our Quality Management System.

In our pursuit to meet or exceed the requirements and expectations of our interested parties, we shall implement a Quality Management System in accordance with ISO 9001:2015 standard, which is customer focused, process driven, and perpetually enhanced.

To achieve the above goals, the Leadership of Beamco shall:

- Employ adequately skilled and experienced personnel
- Empower the employees with relevant training and adequate resources to successfully complete their respective activities and job tasks
- Establish quality improvement programs that will enhance performance and customer satisfaction
- Perform regular quality audits to verify the implementation and effectiveness of the company's quality system
- Sensitize the employees and external providers on our defined Quality Management System
- Define relevant and measurable quality objectives for key business processes
- Plan and carry out management review of the Quality Management System to ensure its continuing suitability, adequacy, effectiveness, and alignment with the strategic direction of the organization

This Quality Policy shall be communicated to all employees and relevant interested parties (on a need basis). All interested parties are expected to cooperate and assist in the implementation of this policy.
